General Statement of Professional Experience (written by firm)

Since its founding in 1996, CSI Engineering LLC has focused on working with general and mechanical contractors to develop coordination drawings, as-built drawings and small-scale design-build projects. Located in Strafford, NH, CSI Engineering has grown over the past thirteen years – in 2007 we opened a second office conveniently located in Saugus, MA, and expanded our capabilities to provide full Mechanical, Electrical, Plumbing and Fire Protection Engineering services to architects, contractors, industrial clients and municipalities. Never forgetting our origins, we continue to provide our engineering expertise in the development of coordination drawings and as-built drawings as needed by our valued clients. With the addition of our Saugus, MA office to

Bureau of General Services
Professional Services Pre-qualification List

our original Strafford, NH office, CSI Engineering has the capabilities to fully service the New England Region.
